# Layer-Type Chicks, 2024!

All poultry are shipped to us as day-old chicks. All chickens have been vaccinated against Marek's Disease. All layer-type chicks, except Bantams, are sexed female at hatch.

We encourage you to order early; pre-payment in full is required to place and secure an order. Prices listed are cash/check discounted. Credit Card sales add 3%. Quantities are limited, and orders will be filled on a first come/first served basis.

**Arrival Dates:** ARE APPROXIMATE and based on chicks arriving 2 days following shipment (sometimes they arrive in one day, occasionally it takes longer.) Very occasionally hatcheries are unable to ship on our reserved dates. We will update customers with any changes from the hatchery as soon as we are aware of them.

**Pick up agreement:** Due to lack of brooder space and the daily expense of keeping birds in the store, we ask that you pick up your poultry within 24 hours of the time they arrive. Birds left longer will cost \$.50 per bird, per day that we must raise them. Birds left over 5 days will be considered abandoned and eligible for re-sale. There are no refunds for unclaimed birds.

Curbside pickup will be available for poultry orders; please call to schedule if you prefer this option.

Erskine's Grain & Garden will provide refunds only if (a) we are able to re-sell an order cancelled by the customer or (b) we are unable to fill the customer's order as placed.

I have read & understand the pickup agreement outlined above.
